

CARO-KANN DEFENSE

Caro-Kann Defense

ECO B13 | 15 named lines in this code

Featured opening position - gold marks the last move

IS IT A GOOD OPENING?

Good and fully playable. The position remains within a normal opening balance for both sides.

ENGINE SNAPSHOT

+0.34 for White. A shallow opening score is a guide, not a forced result.

GAME CHARACTER

Sharp and concrete: initiative, development, and king safety outweigh routine positional rules.

WHAT THIS OPENING IS

B13 covers Caro-Kann Defense. Black supports ...d5 with ...c6, aiming for a sound center and a useful light-squared bishop. The diagram uses the featured line Caro-Kann Defense: Exchange Variation.

DEFINING ROUTE

1. e4 c6 2. d4 d5 3. exd5

UNDERSTAND THE POSITION

What both sides are trying to achieve

WHITE'S GOALS

Use space and development, decide whether to advance or exchange on d5, and prevent Black's freeing breaks from coming easily.

BLACK'S GOALS

Develop the c8 bishop before closing it in, complete the structure, and seek ...c5 or ...e5 at the right moment.

PAWN BREAKS - THE ENGINE OF THE OPENING

Black's freeing breaks are ...c5 and ...e5; White may use c4, f4-f5, or a timely e6 push in advanced structures.

PIECE MAP

Black's light bishop is a strategic asset. White's knights often aim at e5, f5, and c5. The material imbalance means development and compensation must be calculated, not assumed.

WHAT USUALLY GOES WRONG

Black can become passive by defending the structure without arranging a freeing break. Do not judge the gambit only by the pawn count; compare king safety, tempi, and open lines.

POSITION SNAPSHOT

Black moves next. White is ahead by about 1 pawn unit. Central markers: Black pawn on c6, White pawn on d4, White pawn on d5.

WHO SHOULD STUDY IT?

One of the best sound defenses to 1.e4, especially for players who value structure and endgame quality.

COMPLETE CODE CONTENTS

Every named B13 line
