

QUEEN'S GAMBIT STRUCTURES

Slav Defense

ECO D11 | 8 named lines in this code

Featured opening position - gold marks the last move

IS IT A GOOD OPENING?

Good and fully playable. The position remains within a normal opening balance for both sides.

ENGINE SNAPSHOT

+0.31 for White. A shallow opening score is a guide, not a forced result.

GAME CHARACTER

Principled and instructive: development and central breaks lead naturally into the middlegame.

WHAT THIS OPENING IS

D11 covers Slav Defense. White uses c4 to challenge Black's d5 pawn and seeks lasting central or queenside pressure. The diagram uses the featured line Slav Defense: Modern Line.

DEFINING ROUTE

1. d4 d5 2. c4 c6 3. Nf3

UNDERSTAND THE POSITION

What both sides are trying to achieve

WHITE'S GOALS

Recover or transform the c-pawn investment, complete development, and choose between a central break and minority play.

BLACK'S GOALS

Maintain a sound d5 point, free the c8 bishop, and seek ...c5 or ...e5 before passivity sets in.

PAWN BREAKS - THE ENGINE OF THE OPENING

Black's ...c5 and ...e5 are freeing breaks; White commonly uses e4, cxd5, or b4-b5 in minority structures.

PIECE MAP

The c-file, d-file, and minority-attack squares matter. Bishops often improve after central exchanges. The central pawn placement should decide where each bishop and knight belongs.

WHAT USUALLY GOES WRONG

Holding an extra c4 pawn can cost too much development; returning it at the right moment is often best. Recheck the center after every opponent deviation; opening names do not make moves automatic.

POSITION SNAPSHOT

Black moves next. Material is level. Central markers: White pawn on c4, Black pawn on c6, White pawn on d4, Black pawn on d5.

WHO SHOULD STUDY IT?

One of chess's most reliable and educational opening complexes, sound at every level.

COMPLETE CODE CONTENTS

Every named D11 line

This section preserves all 8 names and defining routes assigned to D11 in the source catalogue. Different move orders can reach the same position; learn the structures and goals before memorizing labels.
