

GRUNFELD DEFENSE

Grünfeld Defense

ECO D80 | 7 named lines in this code

Featured opening position - gold marks the last move

IS IT A GOOD OPENING?

Good and fully playable. The position remains within a normal opening balance for both sides.

ENGINE SNAPSHOT

+0.50 for White. A shallow opening score is a guide, not a forced result.

GAME CHARACTER

Unbalanced and ambitious: both sides usually receive active plans and real winning chances.

WHAT THIS OPENING IS

D80 covers Grünfeld Defense. Black allows a broad White center, then attacks it with pieces and pawn breaks from a distance. The diagram uses the featured line Grünfeld Defense.

DEFINING ROUTE

1. d4 Nf6 2. c4 g6 3. Nc3 d5

UNDERSTAND THE POSITION

What both sides are trying to achieve

WHITE'S GOALS

Support the center with pieces, convert space into activity, and be ready to advance or return pawns to preserve coordination.

BLACK'S GOALS

Pressure d4, use the g7 bishop and c-file, and arrange ...c5 or ...e5 before White consolidates.

PAWN BREAKS - THE ENGINE OF THE OPENING

...c5 is the primary challenge and ...e5 is the alternative; White may advance d5 or use e5 under the right conditions.

PIECE MAP

The g7 bishop and pressure on d4 define Black's play. White's center is strong only while the pieces defend it. The central pawn placement should decide where each bishop and knight belongs.

WHAT USUALLY GOES WRONG

Material gain in the center can be temporary if development and diagonal pressure are ignored. Recheck the center after every opponent deviation; opening names do not make moves automatic.

POSITION SNAPSHOT

White moves next. Material is level. Central markers: White pawn on c4, White pawn on d4, Black pawn on d5.

WHO SHOULD STUDY IT?

A world-class, highly dynamic defense; excellent for players willing to learn concrete theory.

COMPLETE CODE CONTENTS

Every named D80 line

This section preserves all 7 names and defining routes assigned to D80 in the source catalogue. Different move orders can reach the same position; learn the structures and goals before memorizing labels.
