

KING'S INDIAN DEFENSE

King's Indian Defense

ECO E81 | 9 named lines in this code

Featured opening position - gold marks the last move

IS IT A GOOD OPENING?

Good and fully playable. The position remains within a normal opening balance for both sides.

ENGINE SNAPSHOT

+0.16 for White. A shallow opening score is a guide, not a forced result.

GAME CHARACTER

Active and tactical: both sides must calculate forcing moves before following a thematic plan.

WHAT THIS OPENING IS

E81 covers King's Indian Defense. White builds a large center while Black develops quickly, castles, and prepares to strike it with ...e5 or ...c5. The diagram uses the featured line King's Indian Defense: Steiner Attack.

DEFINING ROUTE

1. d4 Nf6 2. c4 g6 3. Nc3 Bg7 4. e4 d6 5. f3 O-O 6. Bg5

UNDERSTAND THE POSITION

What both sides are trying to achieve

WHITE'S GOALS

Use the space advantage, expand on the queenside or in the center, and do not allow Black a free kingside attack.

BLACK'S GOALS

Challenge the center with ...e5 or ...c5, reroute pieces behind the pawn chain, and create active play before White consolidates.

PAWN BREAKS - THE ENGINE OF THE OPENING

Black's ...e5 and ...c5 are fundamental; after a closed center, ...f5 and White's c5 often create opposite-wing races.

PIECE MAP

The g7 bishop may look blocked but becomes powerful after the center changes. Knights maneuver toward c5, e5, and f4. Black's g7 bishop is aimed at the center and queenside.

WHAT USUALLY GOES WRONG

Closed centers tempt both sides into autopilot. A central capture can suddenly change which wing is safe. The word 'attack' is a name, not a guarantee; complete development before forcing matters.

POSITION SNAPSHOT

Black moves next. Material is level. Central markers: White pawn on c4, White pawn on d4, Black pawn on d6, White pawn on e4, White pawn on f3.

WHO SHOULD STUDY IT?

A sound, aggressive defense with clear plans, but sharp main lines reward serious study.

COMPLETE CODE CONTENTS

Every named E81 line
